SERMON NOTES: _____

DISCIPLESHIP NEXT STEPS: *This week/month I will ...*

Gather:

- Praise God in worship this weekend for the gift of faith given by the Holy Spirit.
- Stay after worship to reconnect with a church friend during fellowship time.

Grow:

- Make a list of the times your faith in God has carried you through difficult life events, then pray a prayer of thanksgiving to God for giving you faith.

Go:

- Answer the following question and then text/call the person with an encouraging Bible verse or word of Christian truth: "The person already in my life who needs the peace that passes all understanding that comes from the Holy Spirit is _____."

Holy Communion is the Lord's meal where He invites us to partake of His body and blood. By means and power of His Word the Lord is present in this bread and wine. In this meal, we are not only blessed with His real presence and the forgiveness of sins, but we proclaim that we are one in the faith, standing on the inerrant teaching of His Word. Such a meal, according to Scripture, requires our careful self-examination so that we receive it to the benefit of our spiritual lives and faith. We ask that if you are not a member of this church or another LCMS congregation, that you speak with an Elder or one of the Pastors before communing with us today. If you are not communing today, we invite and encourage you to come forward and cross your arms to receive a blessing.

Lord Jesus Christ, we thank you for establishing peace in our country through the sacrifice of those who have served and died in the armed forces, and for the ability to gather publicly, without fear, to worship you. Enable us by your Holy Spirit to not take their sacrifice for granted, but to serve others in our daily lives. Grant wisdom to those who lead that peace might be preserved among us. We pray in Jesus' name. Amen.
